

## **BORDER HARRIERS & ATHLETIC CLUB**

### **Policy of Assisting with Travel Expenses.**

Where the club enters teams to compete in Northern Athletics or National Championships in Cross Country, Road Running and Track and Field in England and a coach has not been provided we may be able to assist with travel expenses.

In Track and Field there are no team Championships at National or Northern level, entries shall be made by the individual Club athlete(s).

Car sharing must be organized wherever possible. Athletes or their parents who wish to be considered for monetary assistance should download a claim form from the Border Harriers website and return the completed form to the Club Treasurer, for consideration by the General Committee.

These athletes are encouraged to compete for the club in league matches.
